

Dear family and friends,

I am so sad to say that Theresa Blaquièrè passed away in Detroit about 6 pm this evening. Theresa is now rejoicing in the Kingdom of God. We have a tremendous amount of gratitude for all that she did. It is hard to say in this day and age, that we know someone who lived in complete service for the people around her and for her community.

Theresa, 3rd child, and daughter to John and Dorille Blaquièrè, was in a Rochester Hills hospital, because of an aneurism. In complete shock, her family, including nuns and Norm, Cecil and Rita were together with her and did exactly what Theresa had wished. Norm included their brother Danny now in Virginia. She passed away quickly.

Aunt Theresa was loved, but always more important to her loved so many. Join us as we celebrate and honor her life. There will be a vigil/rosary Monday night. I will provide details as soon as I know them. Arrangements are being made for a funeral Mass Tuesday. The community she lived in has offered housing. Please feel free to contact me, if transportation or housing is needed.

*Her whole life was giving. She worked her whole life as a nun and all her life shouting to protect those that needed help. Please click on this to see a tribute assembled for her in 2004.

Yours in Christ, Mark «Blackie» Blaquièrè, nephew of Theresa Blaquièrè
